REQUEST FOR THE SUPPLY OF LoptCG

for academic institutions

to C. M. Zicovich Wilson

Instituto de Tecnologia Química, UPV-CSIC
Av. Naranjos s/n, 46071 Valencia, Spain

I request a copy of LoptCG, a ksh-script that performs numerical gradient optimizations.
I will adhere to the following conditions upon receipt of the code.

1. I will not supply a copy of LoptCG to anyone for any reason whatsoever. This in no way limits my making copies of the script for backup purposes or for executing it on more than one computer system. I will refer any request for copies of the script to the author.
2. I will notify the author for any modification of the script that I will perform.
3. I agree not to use LoptCG for profit-making purposes.
4. In any publication in the scientific literature I will reference the optimization procedure LoptCG as follows:

   LoptCG (Shell procedure for numerical gradient optimizations) written and developed by C. M. Zicovich-Wilson, Instituto de Tecnología Química, UPC-CSIC, Spain, 1998.
5. I understand that LoptCG is a free-charge program and it is distributed without any warranty.
6. I will report any error or bug to the author.
